

The Children's Corner

SUMMER DAY CAMP

BEGINS JUNE 21st!

How exciting it is to be able to welcome the children back on campus this summer for our annual Children's Ministry Summer Day Camp Program.

This year camp will be a little smaller than normal to allow for social distancing in accordance with the CDC and FLUMC COVID guidelines, but we are thrilled to be able to offer this wonderful ministry for the children and their families.

All children are welcome to register. Financial assistance will be available for anyone in need. No one will be turned away because of financial need.

Register SOON though! We only have TWENTY SPOTS TO FILL THIS YEAR!

All children who have finished kindergarten through grade 5 this year are encouraged to attend this 7 week program.

We'll meet Monday through Friday from 8:30 am—5:30 pm.

What a fun night it was!
